

LPT Professional Code of Conduct v1.0

Preamble

The LPT Professional Code of Conduct (“Code”) has been established to act as a guide for LPT Professionals. LPT Professionals are advised to refer to the Code when faced with ethical or moral dilemmas. All LPT Professionals must abide by and enforce the Code. Any violation of the Code will be subject to review by EC-Council and may lead to suspension or revocation of the LPT Professional certification.

By adhering to this Code, LPT Professionals agree to uphold their responsibilities to society, the profession, their employers, and their clients at all times.

Code of Conduct

The Code is divided into four main principles:

- 1) To act within legal limits
- 2) To act with honesty and integrity
- 3) To uphold professionalism
- 4) To maintain privacy and confidentiality

1) To act within legal limits

- LPT Professionals shall respect and abide by all local, state, federal and international laws pertaining to their course of work.
- LPT Professionals shall ensure that they do not engage in any unlawful activities.
- LPT Professionals shall report to the proper authorities all and any unlawful acts known to them.
- LPT Professionals shall honor the work agreement signed between himself and the client organization and stay within the limits of the agreement.

2) To act with honesty and integrity

- LPT Professionals shall act with full honesty, integrity and responsibility at all times.
- LPT Professionals shall not partake in any deceptive or manipulative activities.
- LPT Professionals shall not partake in activities which have a negative outcome on society.
- LPT Professionals shall avoid real or perceived conflicts of interest whenever possible and disclose them to affected parties when they do exist.
- LPT Professionals shall carry out their duties in an ethical manner and perform penetration testing without harm to the client organization.
- LPT Professionals shall not partake in any malicious activity towards the client organization and protect the systems of the client organization to the best of his ability in the course of his duties.

3) To uphold professionalism

- LPT Professionals shall demonstrate high standards and professional care in their course of work.
- LPT Professionals shall promote an objective and fair work environment.
- LPT Professionals shall render service for which they are competent and not claim knowledge on areas for which they are incompetent.
- LPT Professionals shall respect and not tarnish the reputation of certifications by other organizations or establishments.

4) To maintain privacy and confidentiality

- LPT Professionals shall maintain the privacy and confidentiality of all information encountered in their course of work unless required by a legal authority.
- LPT Professionals shall not disclose or misuse any information encountered for personal benefit.
